

CREATIVE EXPERIENCE

Kindness is a powerful tool to be Love in Action and stand in our TRUTH. Kindness is a tool to Earthcare. Think about the concept of Pay it Forward and how you feel when you are the recipient of Kindness!!! We are going to build a 'calendar' and each of us will come up with ideas to show loving kindness to our planet.

Keep a journal on your acts of kindness and remember to share the experiences with your inner circle to inspire kindness and love in action.

BLESSINGS & CLOSING PRAYER

Today I think thoughts of abundance and well-being, because I know that at any time and in any circumstance, the Spirit of love is available to me. Blessings await my planet as I turn to the warmth and enrichment in the power of love. Thank you God!! AMEN!!

5 Basic Unity Principles

God is all good and active in everything, everywhere.

I am naturally good because God's Divinity is in me and in everyone.

I create my experiences by what I choose to think and what I feel and believe.

Through affirmative prayer and meditation, I connect with God and bring out the good in my life.

I do and give my best.

LOVE

"For God has not given us a spirit of fear, but of power and of love and of a sound mind." 2 Timothy 1:7

AFFIRMATION

I am deep earth soul-shaking love.

"Take away love and our earth will be a tomb."

- Robert Browning

"Lord grant that I might not so much seek to be loved as to love." - Saint Francis of Assisi

INSPIRATIONAL READING

The Greatest Commandment

Hearing that Jesus had silenced the Sadducees, the Pharisees got together. One of them, an expert in the law, tested him with this question: "Teacher, which is the greatest commandment in the Law?"

Jesus replied: "'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.' All the Law and the Prophets hang on these two commandments."

Matthew 22:34-40

JOY SONG

It's In Every One of Us **By David Pomerantz**

It's in everyone of us, to be wise.

Find your heart, open up both your eyes.

We can all know everything, without ever knowing why.

It's in everyone of us, by and by.

It's in everyone of us, by and by.

(x2)

It's in everyone of us, I just remembered.

It's like I been sleeping for years.

I'm not awake as I can be, but my seeing is better.

I can see, through the tears.

I've been realizing that, I bought this ticket and watching
only half of the show.

There is scenery and lights and a cast of thousands,
Who all know, what I know, and it's good. That it's so.

It's in everyone of us, to be wise.

Find your heart, open up both your eyes.

We can all know everything, without ever knowing why.

It's in everyone of us, by and by.

It's in everyone of us, by and by.

LESSON

DIVINE LOVE by Charles Fillmore (Excerpt from
Dynamics for Living)

Love is the drawing power of mind. It is the magnet of the universe, and about it may be clustered all the attributes of being, by one who thinks in divine order. Many who have found the law of true thinking and its effect wonder why supply does not come to them after months and years of holding thoughts of bounty. It is

because they have not developed love. They have formed the right image in mind, but the magnet that draws the substance from the storehouse of Being has not been set into action.

Love never sees anything wrong in that which it loves. If it did, it would not be pure love. Pure love is without discriminating power. It simply pours itself out upon the object of its affection, and takes no account of the result. By doing so, love sometimes casts its pearls before swine, but its power is so great that it transforms all that it touches.

1. love is a spiritual law, to be loving is part of who we are as community at the spiritual core, why is this?

2. How do you express love at home, school, ect.

3. Explain how Love in and of itself is an Earthcare ministry. Share experiences when you have seen or been part of Love at work, (for example) on a broad scale how a community will come together work side by side for the benefit of neighbors after a natural disaster.

CENTERING

I invite you to get comfortable, close your outer eyes and take 3 very large deep breaths. As you breathe, breathe slowly and deeply. As we breathe remember ... I am a being of love... My nature is to be loving ... I live a life filled with love ... I am love ... In prayer, I send forth love that is filled in power, love that is healing and that guides.

I am a radiating center of divine love ... There is no person, no place, no thing beyond my capacity to love. Even if the way before me seemed impossible, love always finds a way to bless and uplift my world.

Love is mighty ... I am a child of a loving God. All my thoughts move toward love ... Any feelings that are in the way of my well being are swept away by unconditional love.

I am a radiating center of divine love. Love is everlasting. (Allow a few moments of silence and then invite everyone to open their eyes when they are ready.)

“God is Love and those who abide in Love, abide in God and God abides in them.”

– 1 John 4:16
