Chair Karen Tudor indicated the 2016 committee to review the minutes has approved them and they have been published. There were no further corrections offered.

4. Election of Board of Trustees Members

After a brief description of the Leadership, Recruitment, & Development Team [LRDT] charter, Chair Anna Andes presented the slate of nominees for election to the Board of Trustees: Tom Armour [layperson running for re-election to 2nd term], Chris Ashe [layperson running for re-election to 2nd term], Rev David Elliott, Rev Janie Kelley, and Rev Barry Vennard. The two nominees elected will both serve four-year terms.

UWM Bylaws offer the opportunity for nominations by petition no later than April 30th; none were submitted for consideration. The election was held by ballot with Rev Barry Vennard and Tom Armour each elected to serve a four-year term. [The board subsequently elected Christopher Ashe to a four-year term; Toni Fish was elected as 2nd Vice-Chair.]

5. Election of Leadership, Recruitment, & Development Team Members

Leadership, Recruitment, & Development Team [LRDT] Chair Anna Andes presented the slate of nominees for election to the LRDT. The nominees for the open position of “former board member” were: Rev David McArthur and Rev Sharon Connors. According to the bylaws, the floor was opened for further nominations; none were received. The election was then held by ballot with Rev David McArthur elected to the LRDT for a four-year term.

6. Chair of the Board of Trustees’ Report

Chair Karen Tudor began her report acknowledging newly credentialed colleagues ordained through the ministry path at Unity Worldwide Spiritual Institute, Unity Urban Ministerial School, Alternative Ordination Path, and the Field Licensing Program. Also recognized were newly licensed teachers and certified spiritual educators. Acknowledgement was given to new Expansion and Alternative Ministries, along with ministries that have attained full-ministry status. Paulette Pipe was asked to give a blessing to all new colleagues and ministries. Recognition was given to ministries having attained EarthCare certification in the previous year. A first annual Green Star Award for Congregational Environmental Excellence was presented to the following five ministries: Unity Church of Overland Park, Kansas; Unity of Richmond, Virginia; Unity of the Blue Ridge, Mills River, North Carolina; Unity in Lynnwood, Washington; and, Unity of Fairfax, Oakton, Virginia.

The Regional Relationship Task Team concluded its work at the end of convention in 2016; and, from that task team, the Regional Advisory Council was formed. The Council began meeting in September 2016 with liaisons from each regional board represented, along with the UWM Board Vice-Chairs, and UWM’s CEO, CFO/COO, and Director of Member Services. Communication on the Council is reciprocal in sharing information, ideas, concerns, and needs between regions, the UWM Board, and the central office.

During the past year our UWM Board has revised our diversity statement: “We recognize and honor the Divine within as the one common denominator that we share on our human journey. The living heart of Unity understands and manifests its support of this Divinity by recognizing there is inherent good in all people. Unity Worldwide Ministries, its members and affiliates, welcome with love all people in every form of God’s creation, regardless of how that creation presents itself. It is the intent that Unity organizations are inclusive and non-discriminatory. We honor all components that contribute to the diversity of community. We affirm and support Unity principles and programs that manifest diversity in our teachings, policies, buildings, and within our communities. We are resolute in walking the course of human rights and social justice for all.”

UWM has taken a social action position with Unity World Headquarters in a joint statement: “Any proposal or action that seeks to discriminate against individuals or classes of individuals based on prejudiced, stereotypical profiles of national origin, class, creed, race, ethnicity, physical ability or sexual orientation is in opposition to the core beliefs and values established by our founders. We choose Unity. In harmony with the divine Spirit we stand, so we may live in a spiritually awakened world that is continually evolving. This is our prayer and our decree. Through our actions, we let it be.” Both statements can be located on our UWM website

Recently UWM issued a joint statement with Unity World Headquarters in response to our support of the Paris Climate Accord: “Unity Worldwide Ministries and its EarthCare Ministry Team have long been involved with raising awareness of earth care issues and encouraging conscious choices that help to heal our planet. We will continue to do so with renewed fervor as we know spiritually, it is our responsibility to live in harmony with nature and to respect the gift of earth’s resources we are given. Now, more than ever, Unity commits to advancing the growth of environmental consciousness and right action. Please join us as we affirm our interconnectedness and our collective power to affect positive change.”

In conjunction with our EarthCare Ministry Team we support their statement: “As humanity has been primarily responsible for climate change, we affirm that it will be humanity which will co-create a vision of the environmentally conscious use of energy and our planet’s fragile resources. We joyfully participate in our God-given role as good stewards of the Earth. Through prayer, meditation, church or spiritual center inspired activism, and the skillful use of media, we affirm that the Unity movement is a world leader in advancing the growth of environmental consciousness and right action.” Some of the many accomplishments of our EarthCare Team have been: (1) “mindful eating” resolution; (2) a total of seven ministries have been presented the Congregational Green Star Award; and, (3) thirty-eight congregations in totality have achieved, in at least one of three levels, EarthCare certification.

Karen Tudor shared she has the opportunity to close out her board term of five-years by going forward using the gifts and leadership skills she learned while working with the board: (1) relationships matter more than being right; (2) how we make decisions mean more than what was decided; and, (3) learned how to really listen. Also shared, was her chance to be present for: (1) the change in CEO’s of both organizations [UWM and UWH], witnessing the new skills and leadership they brought; (2) staff reorganization at UWM in order to be more responsive to the field; (3) free downloads of resources/materials now available online; (4) the global startup in September 2016 of the new education program with an online platform which allows for opportunities, with not only education, but, group meetings, training, and the ability to be available 24/7; and, (5) planning of UWM’s move to the Unity Village campus. “Excited about the future, the sky is the limit, there is nothing we can’t do, or become.” Karen then invited everyone to become involved in their regions by being willing to serve on their regional boards; serve on ministry teams where your experience is needed; when LRDT calls asking for your leadership, be open to the call; and, closed with she “can’t wait to see where you will lead us next.”

7. President/CEO’s Report

President and CEO Donna Johnson began her report by stating her joy in serving with Board Chair Karen Tudor and of being in service to the entire Unity movement. The following scripture was shared: “You will know the truth and the truth will make you free.” (John 8:22) Donna expressed: “Truth as we surrender and practice our five principles: (1) there is only one Presence and one Power; (2) everything is an individualized expression of that Presence and Power; (3) through the power of thinking, we activate divine energy that expresses as emotion and manifests as conditions; (4) through prayer and meditation, we come into a direct awareness of the one Presence and one Power; and, (5) we must integrate action with insight to evolve, transform, and create positive, sustainable change in our world. Any subject matter can be taught and it pertains to these five principles.”

Reaffirmed as a reminder the following statements: (1) Webster’s Dictionary defines “unity” as: “The state of forming a complete and pleasing whole”; (2) Unity is not a stagnant state of being—it is always forming and evolving to reflect complete wholeness, what we are about as a complete movement; (3) our vision is: “A world powerfully transformed through the growing movement of shared spiritual awakening”; (4) our mission is: “Advancing the movement of spiritual awakening and transformation through Unity, a positive path for spiritual living”; and, (5) it is amazing what a small group of committed members can do.

8. UWM Bylaw Amendments

Chair Karen Tudor stated the four proposed amendments to the UWM Bylaws are routine and non-controversial housekeeping amendments; therefore it was proposed that the assembly consider these amendments as a single vote requiring unanimous consent. It is right with you all the time and responds to your faith in it and your demands on it.” [Charles Fillmore] We have received what we need to do the work; and, we will put more demands, and, need more supply. Finance & Budget Team members were recognized. Love offerings for 2015–2016 did not make projection, but did sustain an increase of about 22% due to UWSI income and the management of UWM and UWSI expenses. Expenses have held steady or slightly less than previous year; keeping grant expenses separate for reporting purposes. Continuing to tithe 10% on all love offerings. Looking ahead on these projections we can plan for a yearend surplus of \$450,000; our unrestricted cash position currently is approximately \$1,300,000—with an additional \$741,000 in total restricted funds. No action is required on the financial report and the report will be placed on file.

10. Auditors Report

CFO/COO Bruce Verkruyse presented the auditor’s review report for the period ending September 30, 2016, as published. The report was approved by unanimous consent.

11. 2018 Budget

CFO/COO Bruce Verkruyse reported on the proposed budget for 2017–2018 [five quarters] with a budgeted net shortfall of approximately \$171, 596. Looking at a 4% increase in love offerings; 20% of operating costs have been allocated to UWSI based on UWSI percentage of revenue to the UWM total revenue. This is a standard cost accounting practice for overhead allocation. UWM Board has suggested through this budget proposal that UWSI set the same standards as we suggest for teaching SEE courses—for classes taught you will receive 50% of total funds received. Moving costs for relocating the central office to the Unity Village campus will be approximately \$145,000; this is not in the current budget for 2016–2017. Costs will be paid using earmarked funds and reserves.

MOTION: Toni Fish moved approval of the proposed budget for fiscal year 2018 as presented; the report was approved by a majority vote.

Adjournment: Hearing no further business, the meeting was adjourned *sine die* at 12:13 PM CT. The next meeting of the convention voting delegates will held June 11–15, 2018, in Olathe, Kansas.
